

## **The Quality Policy Statement**

We are committed to provide quality services to our customers by continuously improving our systems and regulations.

We are committed to comply with requirements of the MS ISO 9001:2015 standard and other applicable statutory and regulatory requirements.

We shall strive to improve the effectiveness of the Quality Management System continually.

Top management shall ensure that the Quality Policy meets set objectives and constant monitoring of our workflow processes. Appropriate remedial actions are taken to correct any non-conformity.

We shall ensure that the Quality Policy is understood, communicated and reviewed for continual improvement.

**24 June 2020**

**V. K. Daby**  
**Permanent Secretary**
